Race/Ethnicity Data Collection

State agencies and local agencies or other subrecipients that operate CSFP must collect and maintain racial or ethnic data to determine how effectively FNS programs are reaching potentially eligible persons and beneficiaries.

State agencies must establish a system for the collection of racial/ethnic data of each person applying for and receiving benefits as a means of monitoring Civil Rights compliance.

Race/Ethnicity Data Collection

Data should be collected at the point of application and retained at the service delivery area.

Applicants shall be assured that the information is required for and used for statistical purposes only and has no effect on eligibility criteria.

If an applicant does not consent to the self-identification method, staff will determine the applicant's race or ethnicity through visual observation and mark the applicable category.

Race/Ethnicity Data Collection

State agencies must ensure that documentation for the data collected by the local agency or other subrecipient is on file and maintained for the required 3 years.

Ensure that access to data is limited to authorized personnel.

Use Form FNS-191, Racial or Ethnic Group Participation – Commodity Supplemental Food Program, to record and submit to FNS racial or ethnic participation data for CSFP households.

Race and Ethnicity Categories - Two Question Format

1. Ethnicity

Hispanic or Latino

Not Hispanic or Latino

2. Race (*may select one or more of the following*)

American Indian or Alaskan Native

Asian

Black or African American

Native Hawaiian or Other Pacific Islander

LEP Requirements

Title VI and its implementing regulations, Executive Order 13166, and USDA LEP guidance require Federal agencies and recipients (State agencies, local agencies, or other subrecipients), to take reasonable steps to ensure “meaningful” access to their programs and activities by Limited English Proficient (LEP) persons.

(FNS Instruction 113-1, Section VII)

LEP Requirements

➤ **Who are persons with LEP?**

Individuals who do not speak English as their primary language and who have a limited ability to read, speak, write, or understand English because of their national origin

What is Meaningful Access?

- Meaningful access is accomplished by providing competent, accurate, timely and effective language services at no charge to individuals with LEP when accessing recipient programs and activities.
- Failure to provide “meaningful” access to persons with LEP could be discrimination on the basis of national origin.

LEP and Program Access

Factors to consider when ensuring “meaningful” access:

- Number or proportion of LEP persons eligible to be served or likely to be encountered within the area serviced by the recipient
- Frequency with which LEP individuals come in contact with the program
- Nature and importance of the program, activity, or service provided by the program
- Resources available and their costs

LEP and Program Access

- State agencies must conduct assessments to determine language profile for their State, taking into account regional differences and updating as appropriate.
- Translation of vital documents is required.
- Oral translations and notification of free interpretation services is required.
- Staff training regarding how to provide LEP populations with meaningful access is paramount (frontline staff).

LEP and Program Access

- Language services:
 - Applicants and participants cannot be asked to bring their own interpreters
 - Children should **not** be used as interpreters
 - Use qualified, competent language resources

- Examples of language services:
 - Qualified, competent bilingual staff
 - Telephone interpreter lines
 - Oral interpretation services
 - Written language services
 - Qualified, competent community organizations and volunteers

LEP Population and Data Sources

Population data sources:

- Department of Justice site: LEP.GOV

Disability Discrimination

What is the definition of disability?

A person who has a physical or mental impairment which substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment.

Major life activity means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

Functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, cardiovascular, endocrine, and reproductive functions.

(ADA Amendments Act of 2008)

Disability Discrimination

- Section 504 states that “no otherwise qualified individual with a disability in the United States... shall solely by reason of his or her disability, be excluded from, denied the benefits of, or be subjected to discrimination under” any program or activity that either receives Federal financial assistance or is conducted by any Executive agency or the United States Postal Service.”
- The ADA has similar nondiscrimination requirements that prohibit discrimination on the basis of disability in services, programs, and activities provided by State and local government entities.

Disability Discrimination

- There is an obligation to ensure that members of the public are provided reasonable modifications in order to access program information, applications and assistance (i.e. Braille, large print, and audio tape).
- Providing qualified sign language interpreters or other auxiliary aids and services for persons with hearing disabilities may be necessary to effectively communicate with these applicants and participants.

Disability Discrimination

- As programs and offices modernize, it is imperative that websites, including State and local agency websites, and online application systems are readily accessible to and useable by persons with visual impairments and other disabilities.
- In addition, programs must ensure physical accessibility for buildings and facilities, particularly to persons in wheelchairs and with mobility disabilities.
- Programs must permit service animals to accompany people with disabilities in all areas where the public is allowed to go.

Equal Opportunity for Religious Organizations

7 CFR Part 16

Ensures a level playing field for the participation of faith-based organizations and other community organizations in USDA programs.

Civil Rights Training

- State agencies are responsible for training subrecipient agencies on an **annual basis**.
- Subrecipient agencies are responsible for training their local sites, including “frontline staff” who interact with applicants or participants on an **annual basis**.
- New employees before participating in Program activities must receive training.
- Volunteers must receive training appropriate to their roles and responsibilities.

Civil Rights Training

All staff should receive training on all aspects of Civil Rights compliance, including, but not limited to:

- Collection and use of data
- Effective public notification system
- Complaint procedures
- Compliance review techniques
- Resolution of noncompliance
- Requirements for reasonable modifications for persons with disabilities
- Requirements for language assistance
- **Conflict resolution**
- **Customer service**

Customer Service

Service is
Effectively communicating with customers,
Responding to their needs,
Valuing their worth, and
Instilling excellence through
Courtesy, confidence, and
Enthusiasm.

Conflict Resolution

IDENTIFY THE PROBLEM. Identify the problem based on the information the customer gives you.

DETERMINE A SOLUTION. Depending on the specifics of the conversation and your knowledge of your organization, the solution may involve calling the customer again.

GAIN APPROVAL FROM THE CUSTOMER. If the customer does not agree to the proposed solution, it will resolve nothing!

MAKE AN AGREEMENT. You and the customer should determine what is to be done, when it is to be done, and by whom. If it is not possible, suggest an alternative.

FOLLOW UP. Personally make sure that the customer has been satisfied; and provide feedback.

Complaints of Discrimination

- Complaints must be filed within 180 days from the alleged act of discrimination, with exceptions.
- Complaints may be written, verbal, or anonymous.
- State agencies or subrecipient agencies may develop their own complaint forms, but the use of such forms cannot be a pre-requisite for acceptance.
- A separate Civil Rights complaint log shall be maintained by the State & subrecipient agency;
- Confidentiality is extremely important and must be maintained.

Complaints of Discrimination

➤ Complaints based on all protected bases

- Must be forwarded to FNS Civil Rights Division within 5 calendar days.

Compliance Reviews

Examine the activities of State agencies, subrecipients, and local sites to determine Civil Rights compliance.

- FNS Civil Rights and Program staff review State agencies.
- State agencies review their subrecipients.
- Subrecipients review their local agencies.

Significant findings must be provided in writing to the reviewed entity and to FNS.

Compliance Reviews

There are three types of compliance reviews:

- Pre-Award Compliance Reviews
- Routine (Post-Award) Compliance Reviews
- Special Compliance Reviews

Pre-Award Compliance Reviews

State agencies, subrecipient agencies, and local sites must be in compliance with Civil Rights requirements prior to approval for Federal financial assistance.

Routine/Post-Award Reviews

FNS and State agencies must conduct routine compliance reviews as identified by FNS Instruction 113-1 and program-specific regulations and policies.

Assess all of the Civil Rights compliance areas.

Sample post-award review questions:

- Do printed materials contain the nondiscrimination statement?
- Is the "And Justice For All" poster displayed appropriately?
- Are program informational materials available to all?
- Is data on race and ethnicity collected appropriately?
- How are applicants and participants advised of their right to file a Civil Rights complaint of discrimination?
- Are reasonable modifications appropriately made for people with disabilities?

Special Compliance Reviews

- May be scheduled or unscheduled
- To follow-up on previous findings of noncompliance
- To investigate reports of noncompliance by other agencies, media, or grassroots organizations
- May be specific to an incident or policy
- History of statistical underrepresentation of particular group(s)
- Pattern of complaints of discrimination

Resolution of Noncompliance

- A factual finding that any civil rights requirement, as provided by law, regulation, policy, instruction, or guidelines, is not being adhered to by a State agency, subrecipient agency, or a local site.
- Steps must be taken immediately to obtain *voluntary* compliance.
- A finding's effective date is the date of notice to the reviewed entity.
