## INSTRUCTIONS FOR COMPLETING THE COMMERCIAL FEED APPLICATION

Only Complete One Application Per Location

- 1. Enter the business information in the top box. For product guarantors, the business name and address listed must match the business name and address on the product labels. For mobile mixers, enter the information in the designated section.
- 2. If products are manufactured at a different location other than the business name, list the name and address of the manufacturing facility. NOTE: If the manufacturing location is in Pennsylvania, that location must also have a Commercial Feed License as a manufacturer. If the manufacturing location does not have a Commercial Feed License, a separate license application must be completed.
- 3. Check the boxes to describe your business or what your business plans are within the next year.
- 4. Submit a check or money order in the amount of \$25.00, made payable to Commonwealth of Pennsylvania.
- 5. Send the completed application and fees to:
